SECTION W: WEALTH

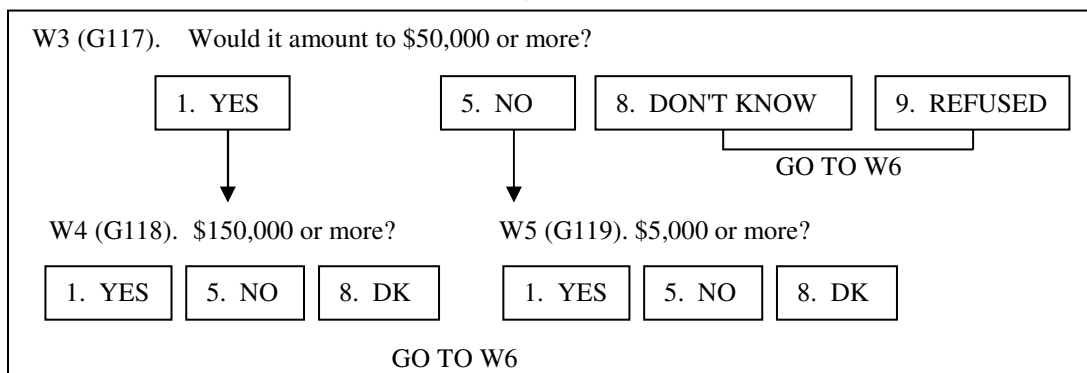

W1 (G115). The next questions I will be asking are designed to give estimates of the wealth of families in the United States and how this has changed in the last two years. In these questions when I refer to the family, I mean your family living there with you. Do you (or your family living there) have any real estate other than your main home, such as a second home, land, rental real estate, or money owed to you on a land contract?

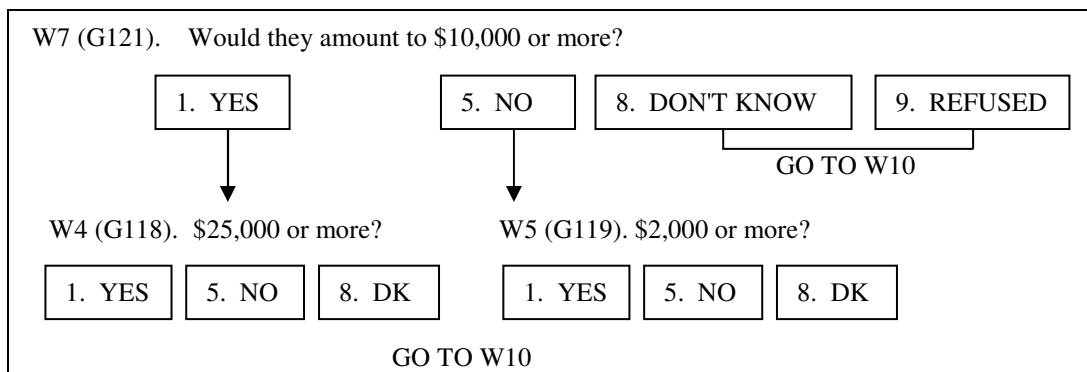

W1a (G115a). Does that include a second home?

W2 (G116). If you sold all that and paid off any debts on it, how much would you realize on it?

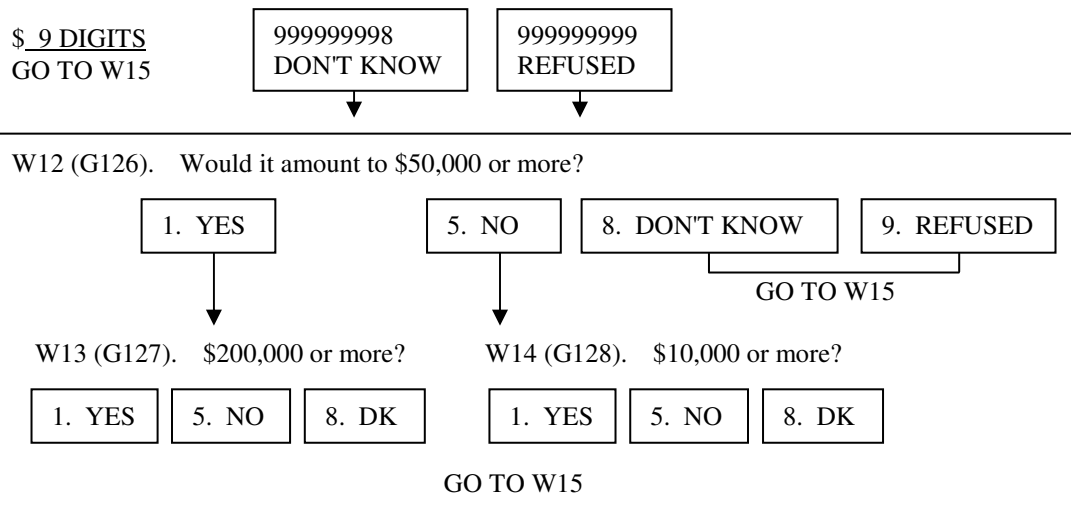

W6 (G120). What is the value of what you (or anyone in your family living there) own on wheels? Including personal vehicles you may have already told me about and any cars, trucks, a motor home, a trailer, or a boat--what are they worth all together, minus anything you still owe on them?

W10 (G124). Do you (or anyone in your family living there) own part or all of a farm or business?

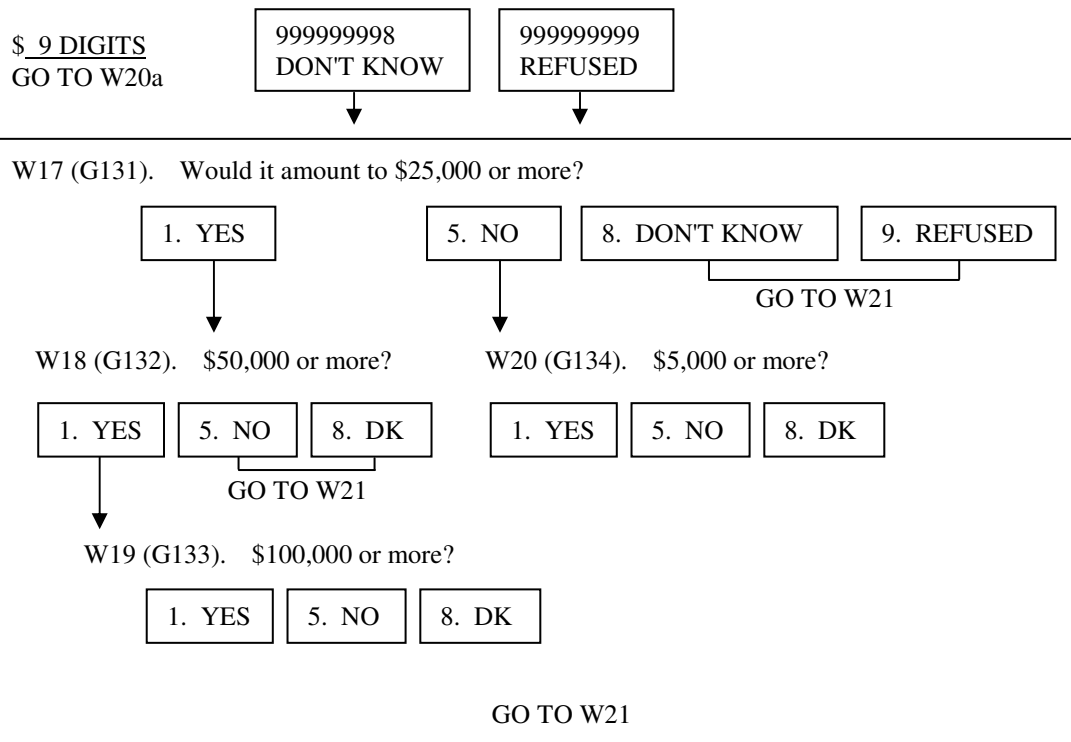

W11 (G125). If you sold all that and paid off any debts on it, how much would you realize on it?

W21. Do you (or your family living there) have any money in private annuities or Individual Retirement Accounts (IRAs)?

CATI CHECKPOINT – RESPONDENT IS HEAD/WIFE/“WIFE”**Section T: Philanthropy**

In this next to the last section, we will be talking about donations of time and money to charitable organizations.

Charitable organizations include religious or non-profit organizations that help those in need or that serve and support the public interests.
